What is The Musary?

The Musary – (themusary.org) In honor and memory of Hamilton resident and a founding member of the rock band Ra Ra Riot, John Ryan Pike, *The Musary* was created. The Musary is a recognized 501(c)3 non-profit organization that works to motivate, cultivate and inspire people, especially young people, in our community to get involved in music. Through a one-of-a-kind instrument borrowing program, The Musary provides our community the unique opportunity to experience, learn, and create music like never before. It is the Musary's goal to lend musical instruments to anyone in need, "No strings attached."

Currently, The Musary has a wide variety of instruments looking to be played by some up-and-coming musicians. Give us a try as we might have exactly what you are looking for. We would love nothing more than to spread John's passion for music to everyone in our community; we look forward to hearing from you.

A Little about John...

John Ryan Pike is the person you thought couldn't possibly exist; although he did, and we were lucky enough to have known him, to have loved him. He was the perfect balance of compassion, talent, humor and intelligence all wrapped up in one great package with an infectious smile as a bow.

He passionately pursued all his interests and excelled in many, especially musical composition. He took advantage of every opportunity presented to him and created many of his own along the way.

John himself was a gift and his sudden and tragic death was not a loss felt exclusively by his family and friends, but rather by an entire community of neighbors, supporters, and fans. Everyone who knew him felt the need to "do something" in his memory. John brought out the best in those around him and in everyone he met. It is in the spirit of all that is John that friends and family felt it necessary to share his gift and love of music with his community. The Musary is born, and John is and always will be the inspiration behind it.
