

BOOKS & LINKS

Welcome to Books & Links (April 2004 Volume 1.) This is a short newsletter of information that the YSS board thinks may be of interest to its membership. It is our plan to change this section several times throughout the calendar year and notify our membership by e-mail when a new addition is published.

The YSS Board welcomes input from our membership! If you have read an interesting journal article, have a great book you wish to share, or a website you feel is useful to youth service librarians please send your suggestions to be considered for the next issue to Kathy Moran-Wallace: kmoran-wallace@mailserv.mvlc.lib.ma.us We look forward to hearing from you!
