Building Community Health Partnerships & Programs

Reflecting on the Social Determinants of Health (SDOH), identify partnerships

Step 1) Identify what your library already does to contribute to the SDOH.

Step 2) Brainstorm a couple ideas for your library to contribute further to the SDOH.

Neighborhood & Environment	
Ideas:	Cultural Awareness, Disaster Preparedness, Support Groups
What you already do:	
What you would like to do:	

Health & Healthcare	
Ideas:	Book Discussions, Health Information Literacy, MassHealth, Nutrition, Exercise, Stress Reduction, Integrative Health
What you already do:	
What you would like to do:	

Social & Community Context

Ideas: *Anything social!* Book Discussions, Coffee & Conversation, New Parent Groups, Volunteer Opportunities, Advisory Boards

What you already do:

What you would like to do:

Education

Ideas: Book Discussions, School/Public Library Partnership, Teen Peer Health Educators; Public Library/Community College Partnership

What you already do:

What you would like to do:

Economic Stability

Ideas: Financial Literacy, Job Skills Training, Entrepreneurs (KrossLink)

What you already do:

What you would like to do:

Workshop: Caring for the Mind: Providing Mental Health Information at Your Library, 2017

Presenter: Michelle Eberle, Consultant
